TransferMation is a series of one-hour workshops designed to highlight opportunities for transfer students to maximize their Trojan experience. Come connect with your fellow Trojan transfers, faculty and staff each month!

**Tuesday 9/1: Academic Success! TCC 302 1-2PM** [RSVP HERE](#)
Study and test taking skills are critical for student academic success. Representatives from the Kortchack Center will help you discover if there are any gaps in how you manage your academics, how to fill those gaps with the right college study skills and what campus resources are available to aid in your success.

**Tuesday 9/22: Internships TCC 302 1-2PM** [RSVP HERE](#)
Internship week is Oct. 5-8th! Are you ready? Attend this workshop to get tips on how to best prepare for internship week as a transfer student. Representatives from the Career Center will provide specific information on how to market yourself effectively.

**Tuesday 10/20: Study Abroad TCC 302 1-2PM** [RSVP HERE](#)
As a transfer student, is it possible for me to study abroad? Yes, with early and careful planning! Learn about long- and short-term study abroad options for transfer students. Representatives from the Office of Overseas Studies will discuss USC’s study abroad programs, cost and financial aid, eligibility requirements and application process, as well as earning academic credit towards your declared major or minor.

**Tuesday 11/17: Non-Traditional Student Panel TCC 232 1-2PM** [RSVP HERE](#)
USC’s non-traditional student population is vast, diverse, and evolving. It is made up of students who identify as part-time, adult learners, returning/re-entry, commuter, veteran, employed full-time, individuals with dependents or single parent. A panel of non-traditional students will share their educational challenges and experiences and offer helpful advice. This workshop will also discuss the support and resources available to help non-traditional students make the most of their Trojan experience.
