Micro-Seminars

Monsters & Ourselves

Ellen Oliveira
Spanish and Portuguese
Dornsife College of Letters, Arts, & Sciences

This micro-seminar introduces students to Monster Studies by looking at a few classics from world literature and cinema. During the seminar students will be asked to consider some of the reasons behind the production and consumption of monsters and its stories. This micro-seminar will also incite students to consider how monsters can help us develop a deeper understanding of ourselves and the society from which they emerge. They can also help us engage with lasting ideas and values throughout the centuries and cultures.
