Academic & Learning Development

- The Kortschak Center
  - For educational and student support throughout the academic year.
  - Review the AEA website to learn more about our AEA Advisory Team.

- Student Life
  - The USC Centering Center provides free, one-on-one feedback to current USC students.
  - Provides insights and饭饭ess to everything from essays to cover letters to scholarship applications.

- Viterbi Learning Program
  - The Viterbi Learning Program supports undergraduate students through academic advising, tutoring, and educational development.
  - For additional support, please contact your AEA advisor and regularly check AEA.

- Student Organizations
  - Non-academic misconduct violations are covered by the Office of Community Expectations.
  - The office of Community Expectations works to provide preventative education regarding student behavior policies to students.

- Scholarships
  - Scholarship Universe is a scholarship matching tool that identifies relevant resources based on your personalized profile.

- Office of Student Accessibility Services (OSAS)
  - Assists with disabilities in compliance with state and federal law.
  - Services include assistive technology, accommodated testing, and notetaking services.

- Math Center
  - The Mathematics Tutoring Center provides peer tutoring for students.
  - Work on class-related questions and professors.

- Supplemental Instruction
  - Provides regularly scheduled, peer-led instruction in small, collaborative groups.
  - With your classmates, review lecture material, course reading, and homework, and go over exam strategies with SI leaders who know the course.

- Career Services
  - The USC Career Center offers support to help USC students make successful transitions to college.
  - The Volunteer Center is dedicated to promoting service within USC, the greater Los Angeles area, and the global community as a whole.
  - Programs include volunteering, training, and opportunities to promote equity and civil rights.

- Counseling and Mental Health
  - Counseling and Mental Health provides counseling and support for students.
  - Contact the Viterbi Center for counseling, advising, online networking, and targeted job search resources.

- Research Opportunities
  - The Research Opportunities Center supports many opportunities to conduct research with guidance from distinguished faculty.

- Academic Honors and Fellowships (AHF)
  - AHF supports new and continuing students in the pursuit of awards, fellowships, graduate training, leadership, and more.

- Sustainability
  - The Experience USC is an online platform that provides information on events, student organizations, and newsletters.

- Student Union, Suite 300
  - The Volunteer Center is dedicated to promoting service within USC, the greater Los Angeles area, and the global community as a whole.

- Office of International Services
  - Assists international students with campus-affiliated housing inquiries.
